i was really excited when i saw my vedio first time. i modified my presentation style. i can say other professor can do the same thing, so that students can rectify their error during presentation.

Dr. Nathan Garrett has an intelligent techniques in addressing his learning methods, he forces you to be a good student. lot of things i used not been familiar with in IT field and now i am fully satisfied with my knowledge about IT concept. and one more thing, he wont let you go home if you are not a good presenter. he taught us a lot of methods in presenting. the quiz method is totally smart. peace to you Dr and thanks for your patience.

I appreciate his hard work.

Professor Garrett is by far one of the best professors that's teaching at Woodbury. He is extremely enthusiastic about the course and he knows his topic extremely well. He is always available for help after class hours, just as long as an appointment is scheduled. He is very nice and always wants his students to do their absolute best. By far one of the best professors at Woodbury.
